THE DREAM CATCHER FOUNDATION GROUP HOME FISCAL COMPLIANCE ASSESSMENT

The Department of Children and Family Services (DCFS) Contracts Administration Division (CAD) conducted a Fiscal Compliance Assessment of The Dream Catcher Foundation (the Group Home) in December 2015. The Group Home has three sites located in the Second Supervisorial District and provides services to the County of Los Angeles DCFS placed children. According to the Group Home's Program Statement, its stated purpose is "to achieve a successful outcome for each youth's treatment plan and designated case goal." It further states, "The larger overall goal is two-fold. First, to help youth develop skills and self-esteem; this will enable the youth to become self-sufficient and productive persons in society. And second, to help develop and promote a viable social support system for youth outside the foster care system."

At the time of the review, the Group Home served 18 DCFS placed children. The placed children's average length of placement was three months and their average age was 15.

SUMMARY

CAD conducted a Fiscal Compliance Assessment which included an agency-wide review of the Group Home's financial records such as financial statements, bank statements, check register, and personnel files to determine their compliance with the terms, conditions, and requirements of the Group Home Contract, the Auditor-Controller Contract Accounting and Administration Handbook (A-C Handbook) and other applicable federal, State, and County regulations and guidelines.

The Group Home was in full compliance with all five areas of the Fiscal Compliance Assessment: Financial Overview; Loans, Advances and Investments; Board of Directors and Business Influence; Cash/Expenditures; and Payroll and Personnel.
